

At Kimpton, Thruxton and Fyfield C of E Primary School we are currently reviewing our curriculum. It is our ultimate to ensure that through our vision, values, rules, curriculum and teaching we promote tolerance and respect for all cultures, faiths and lifestyles. We have a duty to prepare our children for life in modern Britain and keep them safe.

We will ensure that the fundamental British Values of: democracy, the rule of law, individual liberty, mutual respect and tolerance of different faiths and beliefs are introduced, discussed and lived out through the ethos and work of the school. All curriculum areas will provide a vehicle for furthering understanding of these concepts and, in particular, our RE and PSHE lessons will provide excellent opportunities to deepen and develop understanding. Children will embrace these concepts with enthusiasm and demonstrate a good understanding of their application to their own lives.

The school will make considerable efforts to ensure children have exposure to a wide experience beyond their local community during which these concepts are shown, through for example: sporting events, a range of visits and use of outdoor education centres. Their strong rooted values-based understanding will give them an excellent platform for embracing difference.
