No. 10 Summer
7th July 2017

Dear Parents,

We received our Year 6 SATs results this week.

	National (provisional)%	Kimpton %
Reading	71	88
Writing	76	88
SPAG	77	100
Maths	75	100
R/W/M combined	61	76

As you can see they are above national % in all subjects. By no means are SATs results alone a measure of how well children achieve and how 'secondary ready' they are, but the results above do reflect just how hard the children have worked this year. I am incredibly proud of all the children and of course the teachers - well done!

Thank you for your support at Sports Day. It was lovely to see so many parents attending. Congratulations to all the children, especially those in Air.

"It was a really fun day, seeing everybody taking part and having a good time."

Auditions have been taking place this week for Kimpton's Got Talent and I am looking forward

to seeing the various talents at the Final on Monday.

IBM Tech-xperts, Winchester

"First we arrived at the IBM HQ. We went to this very fancy room and we met some of the IBM employees. We then went on a tour of the whole place and had to be quiet in the offices. Then we had lunch outside in a huge field. In the afternoon we made our own app in teams and had a competition. Unfortunately we didn't win but it was still really fun!"

Kimpton Kitchen Garden

"This week we have been harvesting our first batch of courgettes and I am pleased to report that we have pumpkins growing nicely. So what have we achieved so far? We are in our 8th week of work in the garden, a total of 28.5 hrs worked and

108 children helping me with sowing, planting, watering, weeding and now harvesting. The potatoes will be harvested, by Robins, before we leave for the summer holiday. Plans for next year's garden are well in my thoughts and the first job when we return will be to install the water butts, bought with the grant secured from Southern Water. "

Please note that this box will be emptied at the end of each half term and any unclaimed items, placed in the recycling bin.
